PRELIMINARY AMENDMENT

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

In connection with the above-identified application, please enter the following amendments and consider the following remarks. **Please calculate fees due after entering this amendment.**

IN THE CLAIMS:

Please cancel claims 1, 3, 4, 7, 9, 10, 12, 13, 16-20, 22, 23, 26 and 27 without prejudice or disclaimer, and replace them with the following new claims 28-51.

--28. (New) A composition comprising

(a) an inert particle suitable for carrying a polynucleotide stably coated thereon,

and

(b) a polynucleotide coated onto the particle, which polynucleotide comprises a promoter operative in a mammalian cell and a hantavirus M gene segment encoding a G1 glycoprotein and a G2 glycoprotein.
